Note: at the request of Miro Sipek, some changes have been made to the program, for R6, R9, & R2 competitors. It should be noted that the squad times for the R4 competition will be dependant on entries in the 10m Air Rifle Men and the 10m Air rifle Women and the R1, R2 & R4 events, and it may be necessary to squad the R4 shooters to the earlier start time. We only have 18 firing points in the Air Range and R4 require double spaces on the firing point.
