

2008 - 12 or 24 hour Air Shoot

Congratulations to all the entrants in the event this year.

While all the entrants competed for the 12 hour section, only 6 went on to finish the 24 hour. Hopefully a couple of those will stay on for the full event next year.

The winning team in the 12 hour section was the combination of Will Godward and Sam Elsmore, in second place were the 2 shooters from the German Club - Michael Nicholas and Brian Thornton, and in third place, Kathy Stolarski and Ron Maine.

At the end of the 12 hours, 4 shooters retired from the competition - Michael and Brian and Coral Malone and Geoff Nokes. Coral has only been shooting for a couple of months and was almost convinced to carry on for the 24 hours!!! - next year Coral! Geoff Nokes doesn't shoot air rifle at all but certainly gave it a go!! A bit of coaching Geoff and we will see you again next year!

The remaining 6 shooters battled it out for the next 12 hours. By about 4.a.m. we had a real competition on our hands as the team of Kathy Stolarski and Ron Maine pulled a few good rounds out of the hat and we realised there were only 6 points separating them with the Sam Elsmore/Will Godward Team. An exciting finish with Kathy and Ron finishing the event as the winning team. (Ron will tell you that it was his special diet - cherry ripe chocolate, chips, chicken and salad for dinner, apparently gives one an edge!)

Special congratulations must go to Will Godward who just blitzed the handicapper, shooting handicap possibles in all 8 rounds - each of which was also a personal best off rifle score from his previous competitions.

Ron's special diet is not recommended by us!!

Cherry ripes, chocolate, chips and chicken all begin with "ch" - and so does cholestero!!!!!!

No - Brenton was not asleep in there!!!

The following are the 10 shot strings for each shooter in the 24 hour event (8 competitions each), and the 12 hour, (4 competitions each). A condensed version of the team and individual results is under a separate heading - see the results section on website.
